Department Of Electronics and Communication Engineering

Seventh IETE Sponsored National Conference on Emerging Trends in Engineering, Science and Technology (NCETEST-7)

The National Conference on Emerging Trends in Engineering, Science and Technology has been organized by the Department of ECE on 30th April 2024 at RNSIT, for the record Seventh time.

The aim of the conference is to provide a platform for UG students, PG students and Research scholars to showcase their Innovative ideas and share their project work experiences in various emerging areas of Science, Engineering and Technology.

The first call for papers was made during the month of March, the last date of submission was April 13, 2024. The extended date of paper submission was April 20, 2024.

The response for the conference has been overwhelming and we have received a total of 120 papers from many colleges of Karnataka.

We have received papers from many premier Institutions like MVJCE, BMSCE, BMSIT, RVIT, East West college of engg, Jyothy institute of technology, JSS Engineering College, SVIT, KLE Hubli, ATMECE, Mysore.

We have received 4 papers from Hyderabad and few papers from Kerala.

All the submitted papers were checked for plagiarism and originality before the review process. We have used Plagiarism detection software called Drillbit and the maximum limit for plagiarism allowed was 25 %.

After plagiarism check the submitted papers were reviewed by independent reviewers. And After undergoing through a thorough review process, 85 papers are selected for final presentation in the Conference.

All the papers presented in the Conference will be published in the Conference Proceedings for which we have received ISBN **978-81-972530-3-4**.
