## Department of Training and Placement Cell

### Placement Bulletin

May 2024

#### CTO's Message:

We at RNSIT believe in Dedication, Determination, Discipline & Effort. Our students are groomed keeping in mind the current needs & challenges of the Corporate work environment. Our Syllabus, Academic inputs & Corporate Lecture series enable building a foundation & thought process for a successful Corporate Career. Each student goes through a rigorous training program before we place them in front of corporate executives for placement needs.

#### **Director's Message:**

It is a great feeling to know that our Training and Placement
Department is coming out with a monthly placement bulletin
encompassing the activities carried out by them. It is not an
easy task considering the activities of the placement
Department. Let me wish the entire team a huge success in
their endeavours.

# Or. Ramesh Babu H. Dr. Ramesh Babu Principal

#### Principal's Message:

RNSIT is committed to providing a Holistic education and career to its students. I am confident that our institute is on the right track to build a bright career. The pioneering batch of students are eager to make a mark and have been working incredibly hard through proper hand holding guidance by the eminent team. The placement office too has been working very hard to provide job opportunities for students. Our students are privileged to have exposure on competitive exams, study abroad support, higher education, foreign language classes and corporate ready training. I wish good luck for the initiative of the Career Development Cell bringing in a placement Bulletin.

#### **Head CDC's Message:**

Department has passion to work with new changing market environment is the driving force behind to make a big impact in this endeavor, to invite best Industries to the Campus, and to strive to see that each student gets a job in hand. Training and Placement Cell enhances the employability of the students by conducting specialized training in mathematical ability, aptitude skills, analytical skills, language skills, technical skills in addition to, online placement mock test, which are key skill sets over and above the academic credentials. Special sponsored live projects from reputed industries are conducted in the college to enhance the industry exposures to the students.

It is our vision to establish a scenario for the smooth transition of students from academic to professional lives. We give opportunity for right students at right time at right place.

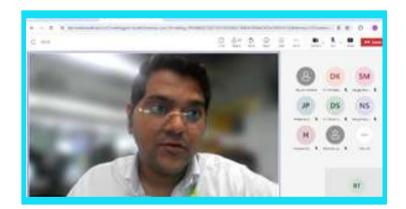

Mr. Vinay Karki and Mr. Arvind from M/s
Rakuten team visited RNSIT for inviting our
management to their organization for
mutual professional association and
Rakuten Product Conference - 2024
(Enterprise SaaS and AI) on 22-23 May 2024

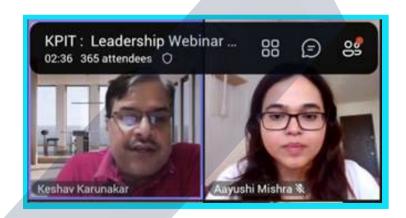

M/s Rakuten hosted a 2-days virtual product conference including insights on major topics like "Leadership Essentials for Evolving SaaS Industry", "Harnessing the Potential: Enterprise AI with a SaaS Twist for India, "Data Science and Generative AI for Ecommerce in India" and many more.

M/s KPIT organized a faculty connect to update the important information for students training who are going to be part of June batch. They also highlighted on next steps with onboarding, expectation from students, test scores etc., to help students to be industry ready.

A special Leadership webinar session from M/s KPIT specially curated for 3rd year, 2025 batch, students of Circuit and CSIT branches. A renowned speaker Mr. Keshav Karunakar shared invaluable insights on Genesis Training at M/s KPIT

Training and Placement dept is migrating into new placement portal i.e Pod.ai.

TPC team were given training on its usage, benefits and procedures etc by Mr. Sahil Sharma from Pod.ai

TPC team is emphasizing students to create their resumes with Pod.ai as the placement activities has been started for 6th Sem students (2025 Batch). An addressing was made in all branches instructing students to start using Pod.ai

M/s Manya by Princeton addressed the Students who aspire to study abroad and gave insights on preparation for various exams like IELTS, GATE, TOFEL etc and things students need to consider while going abroad for higher education.

Students were addressed to emphasis on registration for M/s Rakuten virtual product conference. The topics included "Enterprise SaaS" and "Generative AI".

The registration was extended for the students of 2024, 2025, 2026 and 2027 BE and MCA branches
