Department of Training and Placement Cell

Placement Bulletin Oct 2024

CTO's Message:

We at RNSIT believe in Dedication, Determination, Discipline & Effort. Our students are groomed keeping in mind the current needs & challenges of the Corporate work environment. Our Syllabus, Academic inputs & Corporate Lecture series enable building a foundation & thought process for a successful Corporate Career. Each student goes through a rigorous training program before we place them in front of corporate executives for placement needs.

Mr. Muralikrishna K Mysuru
CTO & MR - RNS Group of Institutions

Director's Message:

It is a great feeling to know that our Training and Placement Department is coming out with a monthly placement bulletin encompassing the activities carried out by them. It is not an easy task considering the activities of the placement Department. Let me wish the entire team a huge success in their endeavours.

Dr. M.K. Venkatesha
Director

Principal's Message:

RNSIT is committed to providing a Holistic education and career to its students. I am confident that our institute is on the right track to build a bright career. The pioneering batch of students are eager to make a mark and have been working incredibly hard through proper hand holding guidance by the eminent team. The placement office too has been working very hard to provide job opportunities for students. Our students are privileged to have exposure on competitive exams, study abroad support, higher education, foreign language classes and corporate ready training. I wish good luck for the initiative of the Career Development Cell bringing in a placement Bulletin.

Dr. Ramesh Babu H.S.
Principal

Head CDC's Message:

Department has passion to work with new changing market environment is the driving force behind to make a big impact in this endeavor, to invite best Industries to the Campus, and to strive to see that each student gets a job in hand. Training and Placement Cell enhances the employability of the students by conducting specialized training in mathematical ability, aptitude skills, analytical skills, language skills, technical skills in addition to, online placement mock test, which are key skill sets over and above the academic credentials. Special sponsored live projects from reputed industries are conducted in the college to enhance the industry exposures to the students.

It is our vision to establish a scenario for the smooth transition of students from academic to professional lives. We give opportunity for right students at right time at right place.

Note of Gratitude from our beloved alumni's

The student from 2024 batch visited placement department to express his gratitude and thanked placement department staffs for supporting him through out his placement journey. While discussing he recollects, how getting a job when it is an utmost need for the family. He also recollects how important it is to enhance the skillset to be industry ready.

Another proud moment for placement department!
