Dr. S J SAVITA

ASSISTANT PROFESSOR

Experience (Teaching -17 Years)

RNSIT (2007- till date)

Qualifications

B.E. from P.D.A College of engg, Gulbarga
M.Tech. from M.S.R.I.T Bangalore (Autonomous College)
PHD from Visveswaraiah Technological University

Courses Taught (Academics)

Python Programming
Artificial Intelligence
Machine Learning
Computer Organization
Neural Networks and Fuzzy Logic
Process Instrumentation
Transducers and Instrumentation
Automation in Process Control
Logic Design
Analog Communication
Power Electronics

Specialization (Research)

Machine Learning Algorithms
GPR Signal Processing
Communication
Image Processing

Certifications and Achievements

- Awarded "Data Analyst" Masters Program IBM Certified Course in Simplilearn.
- Awarded Elite Score in NPTEL Python for Data Science in 2024
- Awarded for completing Data science for Engineers in NPTEL
- Basics of Python Programming in the year 2020 (NPTEL)
- Fuzzy Logic and Neural Networks in the year 2020 (NPTEL)
