Name : Hamsaveni N

Designation : Assistant Professor

Qualification : M.Tech (VLSI Design & Embedded Systems)

Teaching Experience : **21 years**

Specialization (Academics):

Microprocessor and Microcontrollers
Embedded Systems
Digital Signal Processing

Publications:

International Journals-6
National Conference-3

Fund:

Student Project: "**Self- charging Hybrid Electric Bicycle**". **KSCST Sponsored Project-46th series 2022-23.**

Patent filed and Published:

ROBUST INFRASTRUCTURE FOR HAZARD MONITORING IN UNDERGROUND MINES USING IoT.
